

Simple Table Runner 18" x 56"

This is a great runner to make and give as a gift. It goes together quickly, and it is a fun way to feature a specialty print fabric.

Cutting Your Table Runner:

Fabric 1: Cut 1 strip 3 1/2" x WOF (width of fabric). Sub-cut into 3 squares 3 1/2" x 3 1/2".

Fabric 2: Cut 3 strips 2 1/2" x WOF.

Fabric 3: Cut 4 strips 3 1/2" x WOF.

Fabric 4: Cut 1 strip 14" x WOF. Sub-cut into 2 squares 14" x 14". Then cut diagonally across the squares once to create 4 triangles.

Binding: Cut 5 strips 2 1/2" x WOF or cut a bias binding.

Piecing Your Quilt: (1/4" seam allowance)

Using your Fabric 2 strips sew a border on all four sides of your Fabric 1 squares. Refer to diagram below.

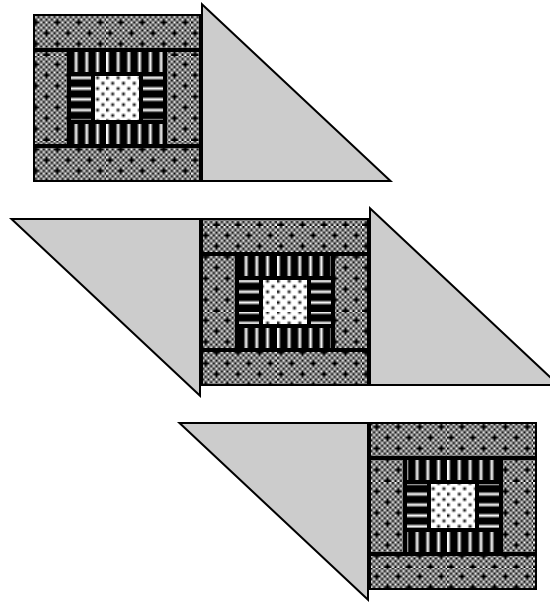

Repeat this process with Fabric 3 to add the second border onto your blocks.

It's now time to sew your table runner together.

Refer to the diagram below for piecing your table runner together. Sew a corner triangle to the blocks as shown, then sew the units together to form your table runner.

Once your table runner is pieced together it is time to quilt. Layer your top with batting and backing, quilt as desired, bind, and enjoy.

Optional: You could add borders to the runner or another pieced square and triangles to make it bigger.
